### **Goals of the State Organization:**

Increase involvement across the state in GHO and SEAHO.

Create and maintain a GHO website where the state newsletter can be posted and state conference registration can be done electronically.

Create a drive-in conference for administrative support personnel.

**State Conference News** (annual conference, drive-in workshops, RA Conference, RHA Conference, Student Leadership Conference, etc.):

### **GRASS 2005 Breaking New Ground University of Georgia**

Resident Assistants across the state met on January 22, 2005 at the UGA campus. The annual RA conference was a great success with a variety of programs for the participants and guided tours of the brand new East Campus Village.

### **GRHO 2005 Lights, Camera, Action Georgia Southwestern State University**

Cameras rolled on February 12, 2005 at the annual state RHA conference. Georgia Southwestern State University pumped up the spirit with a van decorating conference and a rocking roll call competition. Delegates not only walked away with heads full of ideas, but also hearts filled with warmth from participating in the philanthropy project for the Boys and Girls Club.

### **State Awards:**

No new awards at this time.

***SEAHO Involvement*** (listing of housing professionals serving on SEAHO Committees or Task Forces, or who have submitted items to the *SEAHO Report*):

Georgia had the most program submissions at 32 proposals for SEAHO 2005. Georgia is also represented on every SEAHO committee. Way to GHO!

GHO is entertaining bids for SEAHO 2008 conference chair position. After the conference chair is selected, the conference site will be determined and conference committees created.

***New Programs, Innovations, Etc.:***

On June 25-27, 2006 Atlanta will definitely become “Hotlanta” when it becomes the site of the ACUHO-I 2006 conference. Georgia’s own Andrea Trinklein of Emory University is the conference chair. We are all looking forward to helping her out.

***Problems:***

None

***Anything else helpful or worthy of reporting to SEAHO Governing Council:***

State Representative Reports are due to the Member-at-Large  
no later than October 1, and February 1.
